

Program Participant Summary Sheet

Mission Bay Conference Center
University of California, San Francisco
February 7th – 8th, 2008

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Sonya Grant Arreola, PhD, MPH

Institution HIV Research Section, San Francisco Department of Public Health

Current Job Title Scientific Director, Legacy Project

General Research Area Modeling individual, contextual and psychosocial predictors of HIV-risk among Latino Gay Men

Most Recent or Favorite Publication Arreola SG, Neilands TB, Pollack LM, Paul J, Catania J. Childhood Sexual Experiences and Adult Health Sequelae among Gay and Bisexual Men: Defining childhood sexual abuse. The Journal of Sex Research In Press.

Specific Research Question I Want to Study Next

Does dissociation mediate the link between childhood sexual abuse and HIV-risk?

Contact Information

Address Line 1 HIV Research Section, SFDPH

Address Line 2 25 Van Ness, Suite 710

City San Francisco State CA Zip code 94102

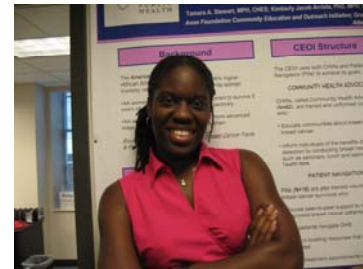

Phone 415.554.9024

Fax 415.431.7029

Email Sonya.Arreola@SFDPH.org

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Kimberly Jacob Arriola, PhD, MPH

Institution Rollins School of Public Health of Emory University

Current Job Title Associate Professor

General Research Area Health promotion among racial/ethnic minorities

Most Recent or Favorite Publication Braithwaite, R. L., Arriola, K. R. J., & Newkirk, C. (Eds.) (2006). Health issues among incarcerated women. Piscataway, NJ: Rutgers University Press.

Specific Research Question I Want to Study Next

What are the HIV risk and protective behaviors of women who are recently released from prison?

Contact Information

Address Line 1 RSPH of Emory University

Address Line 2 1518 Clifton Road, NE; Room 510

City Atlanta State GA Zip code 30322

Phone 404-727-2600

Fax 404-727-1369

Email [kjacob@sph.emory.edu](mailto:kjacoba@sph.emory.edu)

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) George Ayala, PsyD

Institution Research Triangle Institute

Current Job Title Research Public Health Analyst

General Research Area Social Discrimination and HIV; Practice/Research Interface

Most Recent or Favorite Publication 2007. Adapting Evidence-based HIV Prevention Interventions. Focus: A Guide to AIDS Research and Counseling, 22(7):6-7.

Specific Research Question I Want to Study Next

1) Multi-level analysis of racism and its effect on health in gay communities; and 2) evaluation of a community-based participatory research consortium involving MSM of color and ASO in the US

Contact Information

Address Line 1 114 Sansome Street, Suite 500

Address Line 2

City San Francisco State CA Zip code 94104-3812

Phone 415-848-1312

Fax 415-848-1330

Email gayala@rti.org

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Lisa Bowleg, PhD

Institution Drexel University, School of Public Health

Current Job Title Associate Professor

General Research Area African American men's heterosexual risk behaviors

Most Recent or Favorite Publication Bowleg, L., Neilands, T.B., & Choi, K.H. (in press).
Evaluating the validity and reliability of a modified Schedule of Sexist Events: Implications for
public health research on women's HIV risk behaviors. *Women & Health*.

Specific Research Question I Want to Study Next

**Building on the findings of my current R01 focused on the impact of social structural factors, gender
role norms and HIV risk among Black men who have sex with women (MSW), I'd like to develop and test
an intervention for this population.**

Contact Information

Address Line 1 Department of Community Health and Prevention, School of Public Health,
Drexel University

Address Line 2 1505 Race Street, Mailstop 1032

City Philadelphia State PA Zip code 19102

Phone 215-762-1652

Fax 215-762-4088

Email lisa.bowleg@drexel.edu

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Emma Brown, Ph.D., APRN-BC, FAAN

Institution University of Kentucky, College of Nursing

Current Job Title Associate Professor

General Research Area STI/HIV and Substance Abuse Prevention

Most Recent or Favorite Publication

1. Baldwin, J.A., Daley, D., Brown, E. J., August, E. M., Webb, C., Stern, R., Malow, R., & Devieux, J. G. (2007). Knowledge and perception of STI/HIV risk among rural African American youth: Lessons learned in a faith-based pilot program. *Journal of HIV/AIDS Prevention in Children and Youth*.
2. Brown, E. J., Smith, F., & Hill, M. A. (2007). Sexual risk reduction behavior among rural women who use cocaine. *Women and Health*, 46(2/3), 77-97.
3. Brown, E. J. (2007). Exclusion of women into the social networks of African-American women: A mistrust of women issue? *Issues in Mental Health Nursing*, 28, 1157- 1169.
4. Malow, R., Dévieux, J., Rosenberg, R., Nair, M., McMahon, R., Brown E. J., & Kalichman, C. (2007). Antisocial psychopathy and HIV risk among alcohol and other drug (AOD) abusing adolescent offenders. *American Journal of Infectious Disease*, 3(4), 230-238.

Specific Research Question I Want to Study Next

- 1. What characterize effective HIV prevention interventions for rural African American women?**
- 2. What characterize effective HIV prevention interventions for rural African American men?**
- 3. Are lengthy HIV- related psychometric measures valid and reliable when used with rural minority populations?**

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) John J. Chin, Ph.D.

Institution Hunter College of the City University of New York,
Department of Urban Affairs and Planning

Current Job Title Associate Professor

General Research Area Immigrant Communities, HIV, Nonprofit Organizations, Urban Health

Most Recent or Favorite Publication Chin JJ, Leung M, Sheth L, Rodriguez TR. Let's Not Ignore a Growing HIV Problem for Asians and Pacific Islanders in the U.S. Journal of Urban Health. 2007 Sep;84(5):642-7.

Specific Research Question I Want to Study Next

How can government agencies and social/health service organizations partner with religious institutions to carry out HIV prevention, support, and stigma-reduction programs.

Contact Information

Address Line 1 Hunter College/CUNY, Dept. of Urban Affairs and Planning

Address Line 2 695 Park Avenue, Room W1612A

City New York State NY Zip code 10065

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Stacey Daughters, PhD

Institution University of Maryland

Current Job Title Research Assistant Professor

General Research Area Clinical Psychology; Addiction

Most Recent or Favorite Publication Daughters, S.B., Braun, A.R., Sargeant, M.N., Reynolds, E.R., Hopko, D., Blanco, C., & Lejuez, C.W. (in press). Effectiveness of a brief behavioral treatment for inner-city illicit drug users with elevated depressive symptoms: The Life Enhancement Treatment for Substance Use (LETS ACT!). The Journal of Clinical Psychiatry.

Specific Research Question I Want to Study Next

Examining distress tolerance as a predictor of the development and persistence of substance use and associated HIV risk behavior among low-income minority adolescents

Contact Information

Address Line 1 Department of Psychology

Address Line 2 University of Maryland

City College Park State MD Zip code 20742

Phone 301.405.5760

Fax 301.405.3223

Email sdaughters@psyc.umd.edu

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Nelson Varas Díaz, PhD

Institution University of Puerto Rico

Current Job Title Associate Professor

General Research Area AIDS Stigma

Most Recent or Favorite Publication Varas Díaz, N. & Marzán, M. (In Press). The emotional aspect of AIDS stigma among health professionals in Puerto Rico. AIDS Care.

Specific Research Question I Want to Study Next

Intervention development to reduce internalized AIDS stigma among PLWHA in Puerto Rico

Contact Information

Address Line 1 University of Puerto Rico, Graduate School of Social Work

Address Line 2 PO Box 23345

City San Juan State PR Zip code 00931-3345

Phone 787-764-0000 ext. 7091

Fax 787-764-0000 ext. 5974

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Sonja Feist-Price, Ph.D., Rh.D.

Institution University of Kentucky

Current Job Title Professor & Administrator

General Research Area Developing Culturally Relevant Mental Health Treatment Strategies for Black Men who experienced Survivors of Childhood Sexual Abuse

Most Recent or Favorite Publication

Fields, S., Malebranche, D., & Feist-Price, S. (2007). Childhood Sexual Abuse in Black Men who have Sex with Men: Results from three Qualitative Pilot Studies. Cultural Diversity & Ethnic Minority Psychology.

Specific Research Question I Want to Study Next

How does childhood sexual abuse impact sexual risk-taking behavior among Black men? Also, to what extent does a culturally relevant treatment program on childhood sexual abuse impact sexual risk-taking behavior among Black men?

Contact Information

Address Line 1 229 Taylor Ed. Building

Address Line 2 University of KY

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Sheldon D. Fields, PhD, RN, APRN, BC, FNP, AACRN, FNAP, FAANP

Institution University of Rochester - School of Nursing

Current Job Title : Associate Professor of Nursing

General Research Area : HIV/AIDS Prevention in people of color communities (Young MSM of color specifically)

Most Recent or Favorite Publication

Fields, S.D., Malebranch, D., & Feist-Price, S. (In Press). Childhood Sexual Abuse in Black Men who have Sex with Men: Results from three Qualitative Studies
Cultural Diversity & Ethnic Minority Psychology.

Fields, S.D., Wharton, M. J., Marrero, A., Little, A., Pannell, K., & Morgan, J. (2006).
Internet Chat rooms: Connecting with a New Generation of Young Men of Color
at Risk for HIV Infection who have Sex with Men. Journal of the Association of
Nurses in AIDS Care, 17(6), 53-60.

Fields, S. D. (2005). Adaptation of an Existing HIV-Knowledge Questionnaire for use
with Young Men of Color who have Sex with Men. The Journal of Multicultural
Nursing and Health, 11 (1), 47-55.

Specific Research Question I Want to Study Next

What is the applicability and impact of an updated group level HIV/STD prevention intervention known as Young Men Young Voices (A multi site RCT study)?

What is the connection between a history of childhood sexual abuse in MSM of color and adult HIV sexual risk?

Contact Information

UCSF Collaborative HIV Prevention Research in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Larry Gant, LMSW, Ph.D.

Institution University of Michigan, School of Social Work

Current Job Title Professor, School of Social Work

General Research Area (1) disseminating knowledge about HIV/AIDS to social workers, allied health and helping professionals, (2) HIV behavioral intervention research, (3) social factors in HIV behavioral interventions, and (4) social factors in community-based research.

Most Recent or Favorite Publication Leseliey Welch and Larry M. Gant (2004) Voices less heard: HIV-Positive African-American Women, medication adherence, and self care. Journal of HIV/AIDS and Social Services, 3(2), pp. 67-91.

Specific Research Question I Want to Study Next

I wish to assess the pathways that may link ecologic stressors to the risk of HIV/AIDS by studying the interrelationships among ecologic stressors, drug and sex risk behavior, and immune and inflammatory function.

Contact Information

Address Line 1 University of Michigan, School of Social Work

Address Line 2 1080 S. University

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Mark Padilla, Ph.D., MPH

Institution University of Michigan

Current Job Title Assistant Professor

General Research Area Medical Anthropology

Most Recent or Favorite Publication Book: Caribbean Pleasure Industry: Tourism, Sexuality, and AIDS in the Dominican Republic. 2007. Chicago: University of Chicago Press.

Specific Research Question I Want to Study Next

How do changes in gender and migration influence marital HIV risk in the Dominican Republic?

Contact Information

Address Line 1 109 S. Observatory Street

Address Line 2 Room 3830

City Ann Arbor State MI Zip code 48109

Phone 734-763-0051

Fax 734-763-7379

Email padillam@umich.edu

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Jesus Ramirez-Valles, PhD, MPH

Institution University of Illinois-Chicago

Current Job Title Associate Professor

General Research Area Public Health, Race, Gender, LGBT, Latinos

Most Recent or Favorite Publication HIV Infection, Sexual Risk, and Substance Use among Latino Gay and Bisexual Men and Transgender Persons. AJPH in press

Specific Research Question I Want to Study Next

How is the quality of life of the aging LGBT population affected by race, social class, stigmatization, and social integration?

Contact Information

Address Line 1 Community Health Sciences m/c 923, School of Public Health

Address Line 2 1603 W. Taylor St.

City Chicago State IL Zip code 60612-4394

Phone 312-996-6346

Fax 312-996-3551

Email valles@uic.edu

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Rocio Rivadeneira, PhD

Institution Illinois State University

Current Job Title Assistant Professor

General Research Area Media influences on the sexual and gender socialization of Latino youth

Most Recent or Favorite Publication Rivadeneira, R., Ward, L.M., & Gordon, M. (2007). Distorted Reflections: Media Exposure and Latino Adolescents' Conceptions of Self. *Media Psychology*, 9, 261-290.

Specific Research Question I Want to Study Next

How are television viewing behaviors related to the sexual attitudes and behaviors of young Latinos?

Contact Information

Address Line 1 Illinois State University

Address Line 2 Campus Box 4620

City Normal State IL Zip code 61790

Phone 309-438-7005

Fax 309-438-5789

Email rrivade@ilstu.edu

UCSF Collaborative HIV Prevention Research
in Minority Communities Program

PARTICIPANT SUMMARY

Name and Degree(s) Lynn Roberts, PhD

Institution Hunter College of the City University of New York

Current Job Title Assistant Professor

General Research Area youth dating violence, internalized oppression and HIV

Most Recent or Favorite Publication Freudenberg, N., Roberts, L., Richie, B., Taylor, R., McGillicuddy, K. (1999). Coming up in the Boogie Down: The role of violence in the lives of adolescents in the South Bronx. Health Education and Behavior, December 1999. Received Best Article of the Year Award.

Specific Research Question I Want to Study Next

I am most interested in exploring further the intersectionality of race, class and gender in adolescent dating relationships, but also (from a prevention standpoint) in how critical consciousness can serve as a protective factor against internalized oppression and associated health risks.

Contact Information

Address Line 1 Urban Public Health Program

Address Line 2 425 East 25th Street, Box 766

City New York State NY Zip code 10010

Phone 212-481-5110

Fax 212-481-5260
